Our Christian Vision

Happisburgh
Church of England
Primary Academy

Let your light shine!

Matthew chapter 5, verse 16

We let our light shine for…

Ourselves—taking pride in our work, doing our best, perseverance, resilience, being a good sport, being kind, developing our talents

Our school—helping other people, looking after our school, working as part of a team, being kind to others, setting a good example, following instructions

Our wider community—helping our families at home, litter picking, raising money for charities, helping others in our village community, hosting the community cupboard, NNDC Coastwise project, Coastal Research Group, Acorns, community cafés

This is the vision of Happisburgh Primary Academy, we let our light shine as widely as we can. If you can think of another way we can serve our community please let us know!
