Happisburgh
Church of England
Primary Academy

Friday 18th September 2026

Dear Parents and Carers,

Welcome back to another year at Happisburgh and a very warm welcome to all of our new families. We are delighted to welcome five new children this week, they have settled in so quickly and are already part of the family!

We have lots of exciting things to look forward to this term – Key Stage 2 have already enjoyed their first trip of the year today! They had an amazing time at Gressenhall and learnt lots about the Anglo Saxons. Beach school and family learning are also coming up soon and we will share more details as soon as we have them.

Have a lovely weekend,

Mrs L. Watts - Executive Headteacher

This week in class…

Maple - In Maple Class all of the new children are beginning to settle in well and are starting to make new friends. We have been very busy talking about different animals and describing them in our writing using adjectives. We have also been finding out about the seasons and what the weather is like in each season. In geography we have been learning about the cities in the UK and their flags.

Horse Chestnut – In Horse Chestnut we have been handling and looking closely at Stone Age fossils, trying to identify what they are and what they tell us about this period in history. We have been learning about rocks and the layers within the earth. We have used the layers of an egg to further understand these layers and how rocks are formed. The children have made edible sedimentary, metamorphic and igneous rocks which was both educational and delicious!

Oak – Oak class started the term thinking about kindness and enjoyed baking blueberry muffins to welcome everyone back to school. We hope that you enjoyed them! Elsewhere we have been getting to grips with our new text – Shackleton's Journey and tackling our first writing unit – to draft a letter to persuade Shackleton to let us join his voyage across Antarctica – I wonder if we will be successful?

PE

Tuesdays – Maple and Horse Chestnut

Thursdays – everyone!
