Happisburgh Church of England Primary Academy

Friday 16th October 2026

Dear Parents and Carers,

It has been a wonderful week in school with the children enjoying 'the best beach school ever!' on Wednesday. They learnt about the ancient river beds, made sand creations, dug holes to find water and created their own football pitch with lots of fun had by all! It was lovely to welcome some new families to school also and hope they had a great time.

Next Tuesday we have another opportunity for families to come into school with our Messy Harvest. This is at 2pm and we look forward to seeing lots of you there.

Have a lovely weekend,

Mrs L. Watts - Executive Headteacher

This week in school…

What an amazing Beach School we had this week. The sun was shining and the beach was full of activity. Together the children worked in teams to make the best beach nests I have ever seen. Everyone was excited to find flint, fossils and sea glass. There were children collaborating, showing kindness and friendship and a true sense of excitement and wonder. What a pleasure it was to be part of this. We look forward to our next Beach School soon.
