Dear Parents/Carers,

I am so proud of all of our Year 6 children and our staff this week after SATs results day on Tuesday. The children should all feel really delighted about their achievements and I want to thank all of the staff for their determination and ability to work as a team this year. Without all of their hard work, the children would not have reached their goals and achieved as well as they did. A special thank you must go to Mr Castle and Mrs Baines for their support of the children throughout the year!

Not long to go now until our leavers service on Tuesday 23 July at 2:15 and we look forward to seeing you all. This will be a very emotional day for all of us! The year 6 children have asked if they can wear smart clothes on the day as I introduced this last year to Year 6. That is fine and if they want to, they can wear these clothes to school in the morning or bring something to change into if they prefer. We hope that all of the Year 6 parents will come back to school after the service for tea and a special cake donated by our FRIENDS.

The teachers have been busy writing their end of year reports and these will go home on Monday 22 July. We have sent home the phonics test results for Year 1 and some of the year 2 children who were not tested in their previous school, the KS1 SATs results and the KS2 SATs results this week. If you have any questions about these then please see me or the class teachers.

Finally, please do not forget sports day on Thursday 18 July next week! The children will need to come to school dressed in their team colours and they also need to bring plenty of water. We will start at 9:15 on the field and we look forward to seeing you all there! FRIENDS will be selling ice creams. Tea and coffee will be served from 10:30–11 only.

Have a relaxing weekend everyone and once again thank you for your support!

Kind regards

Kate Mejri
