 @HappisburghSch

Dear Parents/Carers,

We are all looking forward to seeing everyone at the Summer Fayre on Saturday. Thank you to all of our parents and staff who help with organising this and I hope the weather predictions are correct as the forecast says it will be a lovely day. If anybody is free to volunteer to help on the day your support would be greatly appreciated. We look forward to seeing you all here.

We are having a Governor activity morning on Tuesday 2 July. Governors will be in meeting the children, parents and staff and doing some monitoring. I have asked them to spend some time meeting all of the parents between 8:30 and 8:50. We do have some new Governors so please look out for them in the morning as they will all be wearing badges.

The list of library books is steadily going down so thank you for your support with this but we still have £132.15 of outstanding books not returned. Please have a look at home over the weekend as I would really appreciate it if we could find some of these missing books.

One of our parents has reported somebody in a black 4x4 this week who was driving really quickly through the village. They had dropped off and were then turning their car around in the road to the pub. This parent was sure that it was another parent from our school as she was crossing the road but didn't see exactly who it was. I just wanted to remind everybody about checking their speed as the road can be very busy in the morning and after school and we would all hate there to be any accidents! The parent that spoke to us was quite upset and angry about the incident.

The 'Bee' Lady will be here on Monday and she will be running some science workshops all about bees and pollination. Please encourage your child to tell you all about this work if you get a chance. We ask that the children wear either yellow or black on this day and bring in £1 as a contribution to this educational opportunity. The Bee Lady will also be selling honey and other products after school for everyone to buy.

Also do not forget the KS2 Disco on Wednesday. I am looking forward to seeing your cool moves!

Have a relaxing weekend everyone and please come along and support the summer fayre on Saturday!

Kind regards

Kate Mejri
