Dear Parents/Carers,

At last we had our first visit to the beach as a 'Beach School' this week as finally the ramp has been fixed. Well done to all of the children who built beach nests, researched the fossils that they had collected and found lots of interesting shells and pebbles to bring back to school. The children who went to the beach worked so well together. They showed perseverance, cooperation and worked brilliantly in small teams when digging and then building their nests. Please have a look at the photographs downstairs by the entrance to the hall next week which is still a work in progress but shows some of what the children were doing during their exciting visit. We will be sending out a letter next week about our new drama club which will be starting after half term. We have had a great deal of interest in this new club so please remember to let Mrs Pagan know if your child wants to attend. The club will run on a Wednesday from 3:30 to 4:30 in the hall with Ms Woolsey.

We have decided to encourage some of our Year 6 pupils to become sport leaders. The children selected will encourage the younger children to play sport during lunchtimes and they will be responsible for organising different activities for everyone at lunchtimes. Mr Dickerson, who teaches PE here every Thursday, had this idea and came to see me this week in the hope of organising it to start next week. He will be interviewing some of the older children next Thursday in school and we will announce the leaders on Friday.

I look forward to seeing all of the children at Movies and Munchies tonight and hopefully we can raise some valuable funds for the school. I will let you know how much money we raised next week and what we intend to use it for.

I hope that you all have a restful bank holiday weekend and thank you for your continued support.

Kind regards

Kate Mejri

What an amazing morning at the beach!!!  
 I am so proud of the children, they have worked collaboratively to build beach dens and investigate and collect and identify objects from the beach. There were children experiencing such a sense of achievement and all that could be heard was laughter and excitement. I look forward to taking the next class for their session.

Over a period of time from now and half term could every child in school decorate a shoe box to create their own Beach School Box? This means that all of their precious finds in school can be treasured and the box can be kept in school as a record of all their sessions.

Thank you.

**Spring/Summer Primary Menu 2019**  
**Menu Change – Tuesday 7<sup>th</sup> May**

Please note due to the preparation requirements for the menu on Tuesday Week 3 and the fact there's a Bank Holiday on Monday 6<sup>th</sup> May, we have had to make an adjustment and swap the Tuesday menu with the Monday menu for Tuesday 7<sup>th</sup> May.

Please see below menu:
