News Bulletin 20 March 2020

Dear Parents/ Carers,

As you are aware, the school will close today for all children except those of key workers and for some of our more vulnerable children. I would like to take this opportunity to thank you for your patience and understanding during which has been, a very unsettled and uncertain time for us all.

Hopefully, your children would have now received work to help keep them engaged over the next week and a half, up until the Easter holidays. After the Easter break, we will continue to provide the children with work and activities to complete on a weekly basis for as long as needed.

I know, that some of you in your professions, will be very busy now and I wish you all the best in the months ahead. For others, I hope you are able to keep safe and find the time to enjoy the Spring weather with your children. Please continue to follow the guidance and support the suppression and eradication of this virus.

We will keep you regularly updated with any further developments, plans or guidance issued by the Government or Norfolk County Council which we feel may affect you. If you have any concerns or queries over the next few weeks, I am happy for you to contact me on my e-mail: head@happisburgh.norfolk.sch.uk and I shall attempt to respond within a 24 hour period.

Take care
Miss Jackson
