News Bulletin 13 November 2020

Dear Parents/ Carers,

Following on from last week's letter regarding the new lockdown, we have now been informed that parents are allowed to arrange 'informal' childcare for their children. We are interpreting this as allowing your child to be dropped off or collected by another parent, if there is a need for you to do so. If you need to make these arrangements, please could you remember to inform the school office about who will be collecting your child.

Unfortunately, I have some sad news for you today; the lovely Mrs Coomer has recently been offered a fantastic opportunity to resume her career in IT and will therefore be leaving us at Christmas. We will all be extremely sad to see her go, but wish her all the best in her new and challenging role. We will be advertising immediately and will inform you once a suitable replacement has been found.

I am very aware that communication between school and home hasn't been easy over these past few months, but please be assured that we are continuing to look for ways of improving this. We are about to re-launch our Facebook Page and will try to keep you updated with all the great things that are happening in school.

We will also start producing a vibrant, monthly newsletter to celebrate our achievements and to inform you of upcoming events. We will also be enabling the staff to have greater access to our Management Information system so that they can contact you with any day-to-day messages or notices.

Thank you for continuing support and daily smiles!

Yours faithfully

Kathryn Jackson
