News Bulletin 6 November 2020

Dear Parents and Carers

I hope that you have all had a good half term and are ready for the next few weeks ahead. The children have bounded back into school and despite the new restrictions placed upon us, spirits are high.

For us, in school, there haven't been many changes due to the lockdown but we will continue to take advice from the County Council in managing the risk of COVID in school.

Here are some of the actions we are taking:

Adults are being asked to use face coverings as they move around the school, if they are not able to keep the 2 metre distance between themselves and others.

The school is kept ventilated and additional hygiene practices continue to be in place.

We are pleased to be able to continue with our 'wrap around care' and provide both Breakfast and after-school clubs in order to support parents going to work. We are also able to continue to provide PE lessons using our sports coach from 'Premier Sports.'

All staff and children are expected to be in school unless they are in the 'clinically, extremely vulnerable' category.

Parents are reminded to maintain social distancing and not share transport arrangements with other families. Parents will continue to stay off the school site unless called in for a meeting.

If the guidance is updated, we will communicate these changes with you. In the meantime, we shall continue to enjoy the time we spend with the children, delivering a creative and inspiring curriculum, learning and playing together.

Yours faithfully
