

# SMARTIES

At Happisburgh, we value all our children and believe that each and every one has at least one particular talent, if not more! In order to make sure that we are able to identify, grow and celebrate these talents, we would like to introduce a new reward system into our school. Each week, the staff will identify 2 children from each class, who have been able to demonstrate one of these talents and reward them with a 'Smartie.'

These are our Smartie awards:

**Self Smart** – for displaying strong, personal qualities and learning behaviours such as perseverance, resilience and independence.

**People Smart** – for showing kindness and consideration towards others. For being a good friend and helping those around us. For treating others with respect.

**Art Smart** – for showing excellent skills in drawing, painting, 3D or printing. For having great ideas and displaying creativity.

**Word Smart** – for working hard in literacy and producing an excellent piece of writing. For being an enthusiastic reader and sharing books with others. For having lovely handwriting.

**Number Smart** – for being a great mathematician. For being able to think carefully about maths and use what has been learnt to solve problems.

**World Smart** – for showing enthusiasm and interest in the world around them both past and present.

**Practical Smart** – for having innovative ideas in design and technology and for being able to handle tools and materials with skill and confidence.

**Spiritual Smart** – for having a strong understanding of religious ideas and concepts. For showing sensitivity towards the beliefs of others and for following our ethos and values with understanding.

**Music Smart** – for showing appreciation for live or recorded music. For demonstrating musical skills such as keeping a steady rhythm, playing tuned and un-tuned instruments.

**Physical Smart** – for being a great sports person with a positive, supportive attitude. For showing skills in any of the many sporting activities offered in school.

**Technical Smart** – for having confidence and aptitude in using all aspects of technology, including computing.
