Dear Parents / Carers,

Welcome back to school. It's been lovely to see the children continuing to bounce through the gates after half term, with heaps of enthusiasm.

Now that we've settled back in, we are preparing a range of additional opportunities for the children, starting with a 'Biblical' dance and music workshop for each class next Monday. The children will be experiencing music & dance traditions of Ancient Biblical times, including celebratory harvest & wedding dances. Also next week, we have our first inter-schools football match against St. Mary's, which continues to be creating a real buzz around the school. I am sure that the team will be very well prepared and no doubt I will choose to be on the side of the winners!

This week, as well as all the fantastic learning that has been taking place, the children have been writing letters to the children of St. Martin's School in West Drayton, London and they appear to be very excited about forming a partnership with them and widening their 'social-circle.' Some of the children are already talking about their first, potential trip to London to visit the school.

Unfortunately, as you will be aware, one of our families has experienced a positive COVID test result recently and so we must continue to be very mindful that this disease is still with us. We are waiting to hear the next announcement from Boris Johnson, hopefully on Monday, when he will let us all know whether current restrictions will be lifted at all. With the recent increase in cases nationally, please be aware that we may need to make some adjustments to our summer-term plans in regard to how we run sports day and how we offer parent consultations. We will clarify our plans with you as soon as we can after the announcement has been made.

Thank you for your continuing support and I hope you all have a lovely weekend.

Yours faithfully

Kathryn Jackson
