

## Our School Offer

At Happisburgh, our core purpose is to ensure that all children in our care grow to become confident, responsible and productive members of our society. Our curriculum aims to provide children with the knowledge and skills they will need in order for this to be achieved but we also acknowledge the importance of offering the children additional, enhanced curricular and extra-curricular activities.

Through our 'school offer' we aim to:

Develop confidence by	Develop empathy by	Develop a sense of achievement by	Develop a sense of belonging by	Develop a sense of awe and wonder by
Taking part in school productions, competitions and sporting events	Engaging with outside visitors and listening to different views	Overcoming challenges	Taking on responsibilities that support others	Engaging with people from different backgrounds
Experiencing challenge and taking risks during residential trips	Working alongside children from other environments / settings.	Celebrating our work publically	Working as part of a team in sports and in performance	Learning about the world from inspirational visitors
Engaging on new tasks, not readily available to them.	Supporting our community through fund-raising events	Taking part in events and receiving applause.	Sharing our learning with our families	Going on school trips
Taking on roles of responsibility				Experiencing special subject 'focus' days that open our minds
