

**Develop your creativity:**

- ◆ Make a model of an igloo.
- ◆ Make a puppet of who might live in an igloo
- ◆ Draw 5 things you would need to live in one of the Poles
- ◆ Draw a picture of a person who lives in a Polar region. What do they wear? What will they need? Write labels or sentences about your picture.

**Explore your locality:**

- ◆ What different homes are there where you live?
- ◆ *Create a scrapbook of photos of different types of homes.*

**This half term's POWER Project is:**

**'Life on the Ice'**

**HAND IN BY: Friday 4<sup>th</sup> February**

**At least one project should be completed each half term. Please bring your project in as soon as it is completed. You do not need to wait for the end of the half term.**

**Remember, this is in addition to reading, spellings, time tables and any other weekly homework activities.**

**All homework will be celebrated with the rest of the class and each piece will earn a certificate.**

**For reference books please visit North Walsham library.**

**Explore your mathematical and scientific skills:**

- ◆ Make ice lollies by exploring different amounts of drinks.
  - create your own recipe
  - explore what happens when they are placed in the freeze
- ◆ Freeze some small plastic toys in ice cubes. How much do they weigh when they are frozen? What happens when they melt?

**Extend your research skills:**

- ◆ Research the ways in which children live in Polar regions-how is it different to the way we live?
- ◆ Research the different types of homes people live in.
