Dear Parents and Carers

It has been another busy fortnight in school but the children have settled to their learning and their new topics brilliantly. As I write we are looking forward to welcoming lots of parents this afternoon for the Macmillan coffee afternoon. Thank you so much to everyone who has donated cakes, they look delicious and I'm sure we will raise lots of money for the charity. Thank you in advance to everyone who is planning to come along and for your donations. Thank you also to the children from Year 6 who have very kindly offered to help serve. We will announce the grand total next week!

Well done to all of the children from Oak class who passed their Bikeability this week. This is such an important project as it helps the children to stay safe outside of school. The children listened really carefully as they cycled along the roads.

Have a lovely weekend,

Mrs Laura Watts
Executive Headteacher

Attached to this weeks newsletter is an information leaflet and an online consent link for your child to receive a flu immunisation. It is important to complete and submit the form **even** if you do not want your child to have the vaccine. If you choose not to complete the consent, this does **NOT** mean that you have refused the vaccine for your son or daughter. The closing date for consent is **Friday 17 November**.

Head Lice

We currently have cases of head lice in school. Please could you check your child's hair on a regular basis and treat accordingly. All long hair must be tied back.
