

Admissions Policy Happisburgh CE VA Primary School

Formally adopted by the Governing Board	
On:	10 th October 2023
Review date:	Autumn 2024
Chair of Governors: Anne Cottingham	<i>Anne Cottingham</i>
Executive Headteacher: Laura Watts	<i>Laura Watts</i>

Status: Statutory for foundation and voluntary aided schools and other schools with delegated responsibility.

Purpose

To ensure that decisions to admit children are based on fair and transparent criteria.

If there are more requests for places than places available children will allocated places in the following order of priority:

1. Children with an Educational and Health Care Plan (EHCP) naming the school.
2. Children in public care who live in the area served by the school.
3. Children who live within the catchment area and have a brother or sister attending the school at the time of their admission.
4. Children who live within the catchment area.
5. Children who live outside the catchment area and have a brother or sister attending the school at the time of admission.
6. Children living outside the catchment area and have no brother or sister attending the school at the time of their admission.

If all children within any of the above rules cannot be offered a place, the highest priority will be given to children living nearest to the school within that rule.

To determine who lives nearest, distance will be measured on a straight line crow - fly basis, using Ordinance Survey data. If, following the application of admission rules and distance, two applicants cannot be separated for a final place at a school, the Governing Body will use random allocation to determine the priority for the remaining place.

Parents/carers may appeal regarding a decision not to admit a child to the governing body of the school. The governors hearing the appeal must not have been involved in the original decision.

Who was consulted?

In drafting this policy the governing body consulted with the LA and the Diocese of Norwich.
